

Perry Township Planning Commission Minutes  
August 19, 2021

**Present:** Larry Place, Beth Andrus, Mark Fraser, Joe Ocenasek, Duane Wood. Walter Saxton, Sandra Michalek

The meeting opened with the pledge to the flag and roll call. All present

Ocenasek moved, second by Fraser to approve the agenda. Carried

Fraser moved, second by Ocenasek to approve the 6/19/21 and 7/22/21 minutes. Carried

**Township Report:** Fraser reported that at the joint meeting with the township board all agreed we should work on updating the Master Plan. Matthew Slocum has picked up paperwork for a driveway off M-52 from MDOT.

**Solar Moratorium:** This means solar farms, not residential property. Township properties do not seem conducive for solar farms. We will recommend to the township board to recommend a moratorium until the Hazelton township solar farm is completed and working. That property is 750 acres.

**Master Plan:** We will begin the work on the plan by comparing Bennington Twp. Master plan and see how we compare. Andrus volunteered to do this. Wood will check on the census information. Father George Michalek has volunteered to check on the township history. When we are ready to finalize the plan, we should put it up for bids. We don't have to use Rowe Eng. We will next month to continue the work.

Fraser moved, second by Michalek to adjourn the meeting.

Sandra Michalek, secretary
