

Perry Township Planning Commission Annual Report – 2019

There was much discussion on marijuana facilities in the township. The township passed an ordinance prohibiting marijuana facilities in the township.

There were two site plan reviews. One for Lansing Fuel & Ice for a second tank in the Industrial Park. It was recommended approval.

The second site plan review was for CNJ storage for another 2 buildings. We recommended approval.

Some of the Planning Commissioners attended a Rowe Engineering seminar on shipping containers.
