

Perry Township Planning Commission Minutes
July 20, 2023
Public Hearing of Master Plan and Regular Meeting

Meeting opened with pledge to the flag and roll call. Present were: Joe Ocenasek, Beth Andrus, Duane Wood, Mark Fraser, Walter Saxton, Sandra Michalek. Excused was Larry Place. Guests: Mark Foulks, Twp. Supervisor and Tom Emery, County Commissioner

Ocenasek chaired the meetings and opened the public hearing on Master Plan for comments. Beth Andrus, who did most of the investigation on the Plan was thanked and complimented on her job. The townships who commented on the plan thought it was a very good job. They were Woodhull and Livingston who commented by letters and others by phone. There were no comments from the County or Perry City. There were 14 notifications sent out.

Fraser moved, second by Saxton, that LUM be put in legend of Plan for the Village of Morrice and township. Carried

Emery commented on solar farms. Don't call them "farms" as farmers do not like them in farming areas. We have designated an area for solar in our plan for solar projects.

Saxton moved, second by Fraser to take some wording on solar energy from Benton Twp. And add to our plan. Carried

Beth wants to check on typos in the plan. Saxton moved, second by Fraser to have the typos fixed. Carried

Public hearing adjourned at 7:45 pm
